HYPERION™

MARINE SAFETY SIGNS

Reliable marine safety signage for clear onboard guidance and emergency readiness.

HYPERION is a marine safety signage solution by Handyman, designed to deliver clear visual communication in demanding marine environments.

Our signs help ensure people can quickly identify safety equipment, escape routes and critical information onboard vessels, offshore facilities and across marine operations.

Combining durable materials with internationally recognized symbols, **HYPERION** supports a safer working environment at sea.

SAFER SEAS BRIGHTER TOMORROWS
